

Given the current public health crisis, various emergency declarations, and in accordance with the provisions of Sec. 610.020, RSMo., the Community Art & Culture Commission recognizes that it would be dangerous and impractical, if not impossible, for its meeting to be physically accessible to the public and required attendees in the usual manner. In order to balance the need for continuity of government with protection of the health and safety of attendees, this meeting of the Community Art & Culture Commission will not be open to public participation and will take place via videoconference. Persons interested in making their views known on any agenda item may send an email with their comments by Tuesday, November 10 to Catie Ward at WardC@town-and-country.org for distribution to the Commission

The meeting will be made available in real time by live stream. To tune in, please click the "WATCH" banner on our homepage at www.town-and-country.org on November 11, 2020 at 6:30 PM.
