Solid Waste Management shall be in accordance with Chapter 235 of the City's Municipal Code. Please click here to read the section in its entirety.

The following Waste Haulers are approved as per the requirements in the above Code:

Collection Update:
Consistent with Chapter 235 of the Town & Country Municipal Code, residents may choose to contract from any of the listed haulers. Some subdivisions may have arrangements with one hauler to avoid wear and tear on streets from various haulers, so you may want to check with your subdivision trustees. Additional information such as pricing can be found below, however we recommend verifying with hauler for current rates, schedule etc.
